

NASA Agency Program Management Council
Program Decision Memorandum
KDP III

Summary: The Agency Program Management Council (APMC) met on October 10, 2018 and evaluated the Earth Systematic Missions (ESM) Program's readiness to continue as defined in NASA Procedural Requirement 7120.5E: *Space Flight Program and Project Management Requirements*.

The Standing Review Board (SRB) findings and recommendations, and the Science Mission Directorate's, the Earth Science Division's, and ESM Program's response to the SRB findings were presented and discussed.

Decision:

Based on this review, the Decision Authority for the ESM Program approves continuation of the Program.

Actions:

None
