

NASA Agency Program Management Council
Program Decision Memorandum
KDP III

Summary: The Agency Program Management Council (APMC) met on October 10, 2018 and evaluated the Earth System Science Pathfinder (ESSP) Program's readiness to continue the Program as defined in NASA Procedural Requirement 7120.5E: *Space Flight Program and Project Management Requirements*.

The Standing Review Board (SRB) findings and recommendations, and the Science Mission Directorate's, Earth Science Division's, and ESSP Program's response to the SRB findings were presented and discussed.

Decision

Based on this review, the Decision Authority for the ESSP Program approves continuation of the Program.
