The Black Vault

Castaic, CA 91384

Dear Mr. John Greenwald:

This is in reference to your Freedom of Information Act (FOIA)/Privacy Act (PA) request dated October 28, 2020. Your request was received in our office on the same day and assigned case number DON-NAVY-2021-000724.

In the course of processing your FOIA request this office contacted the Office of Legislative Affairs (OLA) to conduct a search for applicable records. Accordingly, that office conducted a search of their local files for records relating to "A copy of the Congressional Correspondence Log for the U.S. Navy, for the dates of July 28, 2019 through December 31, 2019."

The OLA office has identified 1 record totaling 247 pages that are responsive to your request. Upon review of these record, it has been determined that it contains instances of personally identifiable information (PII), such as the names, dates of birth, and social security numbers of individuals. These instances of PII are exempt from disclosure under 5 U.S.C. § 552(b)(6), since release of this information would result in a clearly unwarranted invasion of their personal privacy. The remainder of the records are released to you.

Because your request is partially denied, you have the right to an appeal. It must be postmarked within 90 calendar days from the date of this letter. Please provide a letter requesting an appeal, with a copy of your initial request and a copy of the letter of denial, in an envelope marked "Freedom of Information Act Appeal." You are encouraged (though not required) to provide an explanation why you believe the redactions were inappropriate or our search was inadequate. Also, please provide a copy of your appeal letter to us at donfoia-pa@navy.mil.

There are two ways to file an appeal—through FOIAonline or by mail.

Through FOIAonline. This will work only if you set up an account on FOIAonline before you make the request that you would like to appeal. To set up an account, go to FOIAonline (this is a website that will appear as the top hit if you search the internet for "FOIAonline"), click "Create Account" (a link located within the blue banner at the top in the upper right corner), enter your data into the field that subsequently appears, and click "Save" (at the bottom left of the screen). With your account thereby created, you will have the power to file an appeal on FOIAonline to any request you file on FOIAonline thereafter. To do so, locate your request (enter a keyword or the request tracking number in the "Search for" field on the "Search" tab), click on it, then the "Create Appeal" tab in the left-hand column. Complete the subsequent field, click "Save," and FOIAonline will submit your appeal.

The Judge Advocate General (Code 14)
1322 Patterson Avenue SE, Suite
3000, Washington Navy Yard, DC
20374-5066

In this instance, the fees associated with the processing of your request are waived, but this action is not indicative of how future requests will be handled.

For this determination, you have the right to seek dispute resolution services from either the DoD Navy Component FOIA Public Liaison, Mr. Chris Julka, at: Christopher.a.julka@navy.mil, via phone: (703) 697-0031; or by contacting the Office of Government Information Services at: (<https://ogis.archives.gov/>), (202) 741-5770, ogis@nara.gov.

Questions regarding the action this office has taken to process your request may be directed to our FOIA Service Center at (202) 685-0412 or via email at donfoia-pa@navy.mil.

Sincerely,

G. Cason
