Request ID: 459566 Confirmation ID: 459026

Dear Mr. Greenewald:

This is in response to your request dated and received in the National Reconnaissance Office (NRO) on 7 October 2022. Pursuant to the Freedom of Information Act (FOIA), you requested, **"A copy of all weekly Monday update emails that originate from the IRRG, NRO, COMM, Information Management Services Office. As released in a past FOIA request, as seen attached, this office sends out a weekly Monday email updating on the FOIAs and MDRs NRO has received and closed. I ask that you include all of these emails for the calendar year of 2022, up until the point of processing this request."**

We have processed your request in accordance with the FOIA, 5 U.S.C. § 552, as amended. A thorough search of our files and databases located 38 documents responsive to your request. Thirty-eight documents are being released to you in part.

Material withheld from release is denied pursuant to FOIA exemptions:

(b) (3), which is the basis for withholding information exempt from disclosure by statute. The relevant withholding statute is 10 U.S.C. § 424, which provides (except as required by the President or for information provided to Congress), that no provision of law shall be construed to require the disclosure of the organization or any function of the NRO; the number of persons employed by or assigned or detailed to the NRO; or the name or official title, occupational series, grade, or salary of any such person; and

(b) (6), which applies to records which, if released, would constitute a clearly unwarranted invasion of the personal privacy of individuals.

You have the right to appeal this determination to the NRO
