(b)(6) and I spoke with this guy about his attachment issue, and he mentioned that he also had a question about the Kalashnikov designation that he wanted to run by someone here. We told him we'd pass his name on to our Ukraine experts.

Hi Jonathon,

I am sending your request on to (b)(6) in my office. She is the duty attorney on Iran issues this week, and she is also capable of handling the most complex of Iran questions. I know we continue to get a few requests for informal guidance in, so there may be a line and she might not be able to respond to you immediately.

Matthew,

I hope you are well. I'm sure you are keeping busy. I have recently been asked to analyze two potential actions against Iranian blocked property: One is a commercial the other is enforcement of a US judicial award against Iran arising out of an act of terrorism. We've done quite a bit of research on the case law.

Is there someone in your shop who might be able to answer a few questions in what appears to be a very complex area of law and policy?
