I've been working on it for an hour or so and think I'm letting my frustration show. Maybe (b)(6) should draft this.

Word, thanks.

(b)(5) Basically says Roscosmos should be sanctioned because it's "controlled" by some combination of Chemezov (SDN), Rostec (SSI), and Novikombank (SSI) - (b)(5)
(b)(5) (b)(5)
we've sanctioned ROE and Kalashnikov because they're owned/controlled by Rostec/Chemezov so clearly we're giving Roscosmos special treatment (the former was an SSI identification and the latter had nothing to do with Rostec or Chemezov).

(b)(6). Thanks for the chat. We genuinely appreciate all of your assistance. Below, please find my contact information, as promised. As noted, we would be pleased to look-over a draft reply, which you can just send to me for routing.

Thanks again.
