Dear Mr. Greenewald:

This is the final response to your March 5, 2017 Freedom of Information Act (FOIA) request, a copy of which is enclosed for your convenience. We received your request on March 6, 2017 and assigned it case number 17-F-0648. We ask that you use this number when referring to your request.

The Office of Cost Assessment and Program Evaluation (CAPE), a component of the Office of the Secretary of Defense (OSD), conducted a search of their records systems based on the information provided in your request. After thorough searches of the electronic records and files of CAPE, no records of the kind you described could be identified. We believe that these search methods were appropriate and could reasonably be expected to produce the requested records if they existed.

In this instance, fees for processing your request were below the threshold for requiring payment. Please note that fees may be assessed on future requests.

If you are not satisfied with this response, you may contact our OSD FOIA Public Liaison, Melissa S. Walker, at 571-372-0462 or by email at OSD.FOIALiaison@mail.mil. *Description To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com, FAX 1-818-659-7688 or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.

I respectfully request a copy of records, electronic or otherwise, of all records pertaining to PROGRAM ELEMENT 0101119F - referenced as the AURORA program in the Future Years Defense Program (FYDP) Structure – Codes and Definitions for All DOD Components, April 2004 document which I have archived here, for reference: http://documents.theblackvault.com/documents/aviation/DoD_704507_future_years_definition.pdf

I please ask that you include all records pertaining to this program element number, including plans, reports, contracts, etc. I understand it may have been cancelled before ever going into production, but I would still like the original above mentioned documents, that pertain to this program.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.
