BUREAU OF RECLAMATION

PO Box 25007

Denver, CO 80225-0007

REPLY NUMBER TO:

1.1.02

Via Electronic Mail:

Subject: Freedom of Information Act (FOIA)

We are writing to respond to your request. We have enclosed 24 pages, which are being released to you in their entirety.

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of collection would be greater than the fee collected. *See* [43 C.F.R. § 2.37\(g\)](#). Therefore, there is no billable fee for the processing of this request.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. *See* [5 U.S.C. 552\(c\)](#). This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:

Office of Government Information Services

National Archives and Records Administration

8601 Adelphi Road - OGIS

College Park, MD 20740-6001

Email: ogis@nara.gov

Telephone: 202-741-5770

Fax: 202-741-5769

Toll-free: 1-877-684-6448

Please note that using OGIS services does not affect the timing of filing an appeal with the Department's FOIA & Privacy Act Appeals Officer.

Contact information for the Department's FOIA Public Liaison, who you may also seek dispute

resolution services from, is available at <https://www.doi.gov/foia/foiacenters>.

If you have any questions, you may contact us at borfoia@usbr.gov.

Thank you,

Michelle Piland
