

January 12, 2021

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request ([REDACTED]), dated December 20, 2020, in which you requested the following:

“[a] copy or printout of the YouTube Creator's Page for the GSA, which shows nonpublic videos (videos categorized as Unlisted or Private) on the agency's YouTube account. Specifically, I request a listing of videos on the agency YouTube channel, marked as UNLISTED or PRIVATE. This can be done by displaying only those videos shown as UNLISTED or PRIVATE, using the filter button at the top of the video listings for that page. This record is available from the agency person responsible for the agency's YouTube account.”

In processing your request, responsive records that are draft or reflect the agency's deliberative process are considered pre-decisional in nature and/or attorney-client privileged communications, have been redacted pursuant to FOIA, 5 U.S.C. § 552(b)(5).

In addition, pursuant to the FOIA, 5 U.S.C. § 552(b)(5) and (7)(F), which authorizes the withholding of information necessary to protect the physical safety of a wide range of individuals, GSA has determined that releasing information relating to the names of federal agency or agencies that use each GSA federally owned building could compromise security at federal facilities and the safety of persons at these facilities.

As we have redacted information referenced in the above paragraph(s) with the aforementioned FOIA exemptions, this technically constitutes a partial denial of your FOIA request. You have the right to appeal the denial of the information being withheld. You may submit an appeal online at the following link (<https://www.foiaonline.gov/foiaonline/action/public/home>) or in writing to the following address:

U.S. General Services Administration
FOIA Requester Service Center (LG)
1800 F Street, NW
Washington, DC 20405

Your appeal must be postmarked or electronically transmitted within 90 days of the date of the response to your request. In addition, your appeal must contain a brief statement of the reasons why the requested information should be released. Please enclose a copy of your initial request and this denial. Both the appeal letter and envelope or online appeal submission should be prominently marked, “Freedom of Information Act Appeal.”

Fax: (202) 501-2727

This completes our action on this FOIA request. Should you have any questions please contact Travis Lewis at 202-536-8144 or by email at travis.lewis@gsa.gov. You may also contact the GSA FOIA Public Liaison, Mr. Duane Smith, at (202) 694-2934 or by email at duane.smith@gsa.gov for any additional assistance and to discuss any aspect of your FOIA request.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, email at ogis@nara.gov; telephone at (202) 741-5770; toll free at (877) 684-6448; or facsimile at (202) 741-5769.

Sincerely,

Travis Lewis
