Dear [REDACTED]

The Indian Affairs FOIA office received your Freedom of Information Act (FOIA) request, dated December 20, 2020. On December 21, 2020 and assigned it control number [REDACTED]. Please cite this number in any future communications with our office regarding your request.

In your request you have stated the following "A copy or printout of the YouTube Creator's Page for the Bureau of Indian Affairs (HQ), which shows nonpublic videos (videos categorized as Unlisted or Private) on the agency's YouTube account. Specifically, I request a listing of videos on the agency YouTube channel, marked as UNLISTED or PRIVATE. This can be done by displaying only those videos shown as UNLISTED or PRIVATE, using the filter button at the top of the video listings for that page. This record is available from the agency person responsible for the agency's YouTube account. This is a noncommercial individual request that falls into the "all other requesters" fee category. I swear under penalty of perjury that this request is not for any commercial purpose whatsoever."

We have classified you as an "other-use" requester. As such, we may charge you for some of our search and duplication costs, but we will not charge you for our review costs; you are also entitled to up to 2 hours of search time and 100 pages of photocopies (or an equivalent volume) for free. See 43 C.F.R. § 2.39. If, after taking into consideration your fee category entitlements, our processing costs are less than \$50.00, we will not bill you because the cost of collection would be greater than the fee collected. See 43 C.F.R. § 2.37(g).

You have agreed to pay up to \$35.00 for the processing of your request. If we find that this will not cover the cost of processing your request, we will stop processing your request at the point this amount has been reached and will let you know before we incur additional charges. You can then either agree to pay the additional amount needed or narrow the scope of your request.

We are writing today to respond to your request on behalf of the Assistant Secretary – Indian Service, Office of Public Affairs (OPA).

We have enclosed one file consisting of one page, which is being released to you in its entirety.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. See 5 U.S.C. 552(c). This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
