RE: Freedom of Information Act (FOIA) Request No. [REDACTED]

The Bureau of Ocean Energy Management (BOEM) Headquarters FOIA Office received your FOIA request, dated December 20, 2020, on December 21, 2020 and assigned it control number [REDACTED]. Please cite this number in any future communications with our office regarding your request.

Description of the Requested Records

You requested:

A copy or printout of the YouTube Creator's Page for BOEM, which shows nonpublic videos (videos categorized as Unlisted or Private) on the agency's YouTube account. Specifically, I request a listing of videos on the agency YouTube channel, marked as UNLISTED or PRIVATE. This can be done by displaying only those videos shown as UNLISTED or PRIVATE, using the filter button at the top of the video listings for that page. This record is available from the agency person responsible for the agency's YouTube account.

Full Release

We are writing today to respond to your request on behalf of the BOEM.

We have enclosed one file consisting of 6 pages, which is being released to you in its entirety.

Fees—No Charge

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of collection would be greater than the fee collected. See [43 C.F.R. § 2.37\(g\)](#). Therefore, there is no billable fee for the processing of this request.

Mediation Services

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
