[REDACTED]

The Bureau of Safety and Environmental Enforcement (BSEE) FOIA office received your Freedom of Information Act (FOIA) request, dated December 20, 2020, and assigned it control number [REDACTED].

You requested:

“A copy or printout of the YouTube Creator's Page for BSEE, which shows nonpublic videos (videos categorized as Unlisted or Private) on the agency's YouTube account. Specifically, I request a listing of videos on the agency YouTube channel, marked as UNLISTED or PRIVATE. This can be done by displaying only those videos shown as UNLISTED or PRIVATE, using the filter button at the top of the video listings for that page. This record is available from the agency person responsible for the agency's YouTube account.”

We are writing today to respond to your request on behalf of the BSEE. We have enclosed one document consisting of 6 pages, which is being released to you in its entirety.

### Conclusion

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. *See* [5 U.S.C. 552\(c\)](#). This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a

[REDACTED] [REDACTED]

non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:

Office of Government Information Services  
National Archives and Records Administration  
8601 Adelphi Road - OGIS  
College Park, MD 20740-6001  
E-mail: [ogis@nara.gov](mailto:ogis@nara.gov)  
Web: <https://ogis.archives.gov>  
Telephone: 202-741-5770  
Fax: 202-741-5769  
Toll-free: 1-877-684-6448

Please note that using OGIS services does not affect the timing of filing an appeal with the Department's FOIA & Privacy Act Appeals Officer.

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of collection would be greater than the fee collected. See [43 C.F.R. § 2.49\(a\)\(1\)](#). Therefore, there is no billable fee for the processing of this request.

This concludes BSEE's response to your request. If you have any questions about our response to your request, you may contact Dorothy Tinker by phone at (703) 787-1404, by fax at (703) 787-1207, by email at [bseefoia@bsee.gov](mailto:bseefoia@bsee.gov), or by mail at Bureau of Safety and Environmental Enforcement, FOIA Office, Mail Stop: VAE-BSEE FOIA, 45600 Woodland Road, Sterling, Virginia 20166.

Sincerely,

Dorothy Tinker  
Dorothy Tinker
