RE: FOIA Request No. 21-00569-F

Dear John Greenewald:

This letter is a final response to your request for information pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, dated December 21, 2020 and received in this office on December 21, 2020. Your request was forwarded to the following offices to search for documents that may be responsive to your request: Office of Communications and Outreach (OCO) and Office of Chief Information Officer (OCIO).

You requested the following: This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I respectfully request a listing of all videos uploaded to your agency's YouTube channel, but are marked as UNLISTED or PRIVATE.

If such a list does not exist, and your agency will not create one to fulfill this request, I will agree to accept a printout of the YouTube's content channel page, listing only those videos shown as UNLISTED or PRIVATE (this is easily shown using the "filter" button at the top of the video listings).

I believe this would be an agency record, as the video uploads and listings were created by your agency; are under control of your agency (can add and delete at will) and they are used by your agency for the work of your agency. Therefore, if no list exists, I believe this printout should be subject to the FOIA.

Staff from OCIO informed this office (FSC) that after a search of their files, they were unable to locate any documents that were responsive to your request.

Attached via PAL Download are 216 pages of fully releasable documents that are responsive to your request. The documents provided are:

➤ 21-00569-F OCO

Provisions of the FOIA allow us to recover the costs pertaining to your request. The Department has concluded that you fall within the category of “news media.” However, the Department has provided you with this information at no charge. The Department's release of this information at no cost does not constitute the grant of a fee waiver, and does not infer or imply that you will be granted a fee waiver for future requests made under FOIA to the Department. Because we were able to locate and process these documents at minimal costs, they are provided to you at no cost.

You have the right to seek further assistance from the Department's FOIA Public Liaison, Robert Wehausen. The Department's FOIA Public Liaison can be reached by e-mail at robert.wehausen@ed.gov; by phone at 202-205-0733; by fax at 202-401-0920; or by mail at Office of the Executive Secretariat, U.S. Department of Education, 400 Maryland Ave., SW, 7C132, Washington, DC 20202-4500, Attn: FOIA Public Liaison.

If you have any questions, please contact the FSC at (202) 401-8365 or EDFOIAMANAGER@ed.gov.

Sincerely,

Sandra Lewandowski

Government Information Specialist
