

UNITED STATES DEPARTMENT OF COMMERCE
National Institute of Standards and Technology
Gaithersburg, Maryland 20899-0001

[REDACTED]

[REDACTED]

This letter serves as the final response to your December 20, 2020 Freedom of Information Act (FOIA) request (FOIA Log # [REDACTED]) to the National Institute of Standards and Technology (NIST) for:

“A copy or printout of the YouTube Creator's Page for the National Institute of Science and Technology, which shows nonpublic videos (videos categorized as Unlisted or Private) on the agency's YouTube account. Specifically, I request a listing of videos on the agency YouTube channel, marked as UNLISTED or PRIVATE. This can be done by displaying only those videos shown as UNLISTED or PRIVATE, using the filter button at the top of the video listings for that page.”

NIST has completed the actual search for responsive records and enclosed is One (1) document consisting of Eight (8) pages that is being released in its entirety.

It was previously determined that you were in the “all other” requester category for which chargeable services include search and duplication of responsive documents excluding the cost of the first 2 hours of search and the first 100 pages of duplication. The actual search and duplication costs were under the chargeable threshold; thus, the document is being provided at no cost.

If you have questions or concerns or would like to discuss any aspect of your request, you may contact either the analyst who processed your request, Elizabeth Reinhart, Management Analyst at 301-975-8707, or me, the FOIA Public Liaison/Freedom of Information Act Officer, at 301-975-4074. We may also be reached at foia@nist.gov.

Please refer to your FOIA request tracking number, [REDACTED], when contacting us.

In addition, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows:

Office of Government Information Services
National Archives and Records Administration
8601 Adelphi Road-OGIS
College Park, MD 20740-6001
e-mail at ogis@nara.gov
telephone at 202-741-5770; toll free at 1-877-684-6448; facsimile at 202-741-5769.

You have the right to appeal this response to your FOIA request. An appeal must be received within 90 calendar days of the date of this response letter. Address your appeal to the following office:

Assistant General Counsel for Employment, Litigation, and Information
U.S. Department of Commerce
Office of the General Counsel, Room 5896
1401 Constitution Avenue N.W.
Washington, D.C. 20230

An appeal may also be sent by e-mail to FOIAAppeals@doc.gov or by FOIAonline, if you have an account in FOIAonline, at <https://foiaonline.regulations.gov/foia/action/public/home#>. The appeal should include a copy of the original request and initial denial, if any. All appeals should include a statement of the reasons why the records requested should be made available and why the adverse determination was in error.

The appeal letter, the envelope, and the e-mail subject line should be clearly marked "Freedom of Information Act Appeal." The e-mail, FOIAonline and office mail are monitored only on working days during normal business hours (8:30 a.m. to 5:00 p.m., Eastern Time, Monday through Friday). FOIA appeals posted to the e-mail box, FOIAonline, or office after normal business hours will be deemed received on the next normal business day. If the 90th calendar day for submitting an appeal falls on a Saturday, Sunday or legal public holiday, an appeal received by 5:00 p.m., Eastern Standard Time, the next business day will be deemed timely.

Sincerely,

Catherine S. Fletcher
Freedom of Information Act Officer
