Mr. John Greenewald Jr.
The Black Vault
27305 W. Live Oak Road, Suite 1203
Castaic, CA 91384

Dear Mr. Greenewald:

This letter is the final response to your December 21, 2020 Freedom of Information Act (FOIA) request. You requested the following information:

“Request a listing of all videos uploaded to your agency’s YouTube channel, but are marked as UNLISTED or PRIVATE. If such a list does not exist, and your agency will not create one to fulfill this request, I will agree to accept a printout of the YouTube’s content channel page, listing only those videos shown as UNLISTED or PRIVATE (this is easily shown using the “filter” button at the top of the video listings). I believe this would be an agency record, as the video uploads and listings were created by your agency; are under control of your agency (can add and delete at will) and they are used by your agency for the work of your agency. Therefore, if no list exists, I believe this printout should be subject to the FOIA.”

Your request was received in this office on December 21, 2020.

Upon receipt, we contacted the Office of External Affairs (NA-EA) who submitted your request to their Office of Public Affairs. A search of records pertaining to your request was conducted and three (3) documents were located as identified below.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA Mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20704, e-mail at ogis@nara.gov; telephone at (202) 741-5770; toll free at 1-877-684-6448; or facsimile at (202) 741-5769.
